

PUBLIC MEETING in MALLAIG COMMUNITY CENTRE

Saturday 25th March @ 11am – 1pm

Are you concerned about the prospect of living in a

COASTAL & MARINE NATIONAL PARK?

Huge areas of the West Coast and Hebrides are being considered for this conservation designation, despite the fact that no real local consultation has taken place.

If you are worried about what's happening, please come along and use this vital opportunity to have your say.

Chairman: Ian Mitchell; *Isles of the West, Isles of the North*
Local MSP Fergus Ewing in attendance
